Daily Geography Week 16

Use your Social Studies book, classroom atlas, wall map, almanac, or globe to answer the following questions. Your answers should be written in complete sentences. List your information source.

1. Which state has the larger land area, Minnesota or Iowa?

2. Which continent is closer to Africa, North America or South America?

3. Is most of the United States in the Eastern Hemisphere or Western Hemisphere?

4. Which state is farther north, Wyoming or South Dakota?

5. In which states is the Great Smoky Mountains National Park located?

6. If you are in Dallas, Texas, in which direction would you need to travel in order to reach the equator?

7. List the states in the United States that border Mexico?

8. Is the state of Mississippi east or west of the Mississippi River?

9. Which river serves as part of Oklahoma’s southern border?

10. What is the name given to a body of land with water surrounding it?
