Daily Geography Week 2

Homeroom_______________  Name_______________
Due ________________  Date ________________

Use your Social Studies book, classroom atlas, wall map, or globe to answer the following questions. Your answers should be written in complete sentences.

1. In what state does the Mississippi River flow into the Gulf of Mexico?

2. What ocean is west of North America and South America?

3. Draw and place the four cardinal directions on a compass rose.

4. Which state has a longer border with Canada, New York or Montana?

5. What color on a map would be better for farmland, blue or green?

6. What river forms the boundary between Texas and Mexico?

7. What imaginary line is halfway between the North Pole and the South Pole?

8. What state is east of Colorado and North of Oklahoma?

9. What is a map?

10. What is the only Great Lake that is completely within the United States?
